Title: McMahan Road Extension and Improvements

Improvement Type: New Roadway

State Route: 0

Municipality: Logan (TWP)

Air Quality Status: Significant: Included in regional conformity analysis

Actual Construction Bid Date:

Estimated Construction Bid Date: 2/13/2025

Location: On McMahan Road and at the intersection of SR 4010 (17th Street) and McMahan Road in Logan Township, Blair County.

Project Description: The project will extend McMahan Road into a cul-de-sac, which will include concrete curbing, rain gardens, pipe, and a retaining wall. The roadway extension also includes the relocation of a gas main. The project will construct a left-turn lane from SR 4010 (17th Street) to McMahan Road, and widening of the western side of McMahan Road is needed. Modification to the traffic signal and a traffic signal retiming study is also part of the project. The project also includes drainage, signage, pavement marking, highway lighting, guiderail and intersection improvements at the intersection of McMahan Road and SR 4010 (17th Street). High Friction Surface Treatment (HFST) will need re-applied to SR 4010 (17th Street) with this project.

Project is an approved ARC Project (PA-20644-2022-I-201b). This project was selected as part of the FY 2022 Appalachian Regional Commission funds. Estimates inputted as per FY 2022 Appalachian Regional Commission Funds Award - Logan Township, PA.
